San Juan de Puerto Rico, 2017

2 key messages to promote in our region:

#nadiesinhogar #nadieenlacalle
#nobodyhomeless #nooneoutside
we have a dream

#esposible
#itspossible
we can create new solutions for the Latin American context

#knowledge

Subte Buenos Aires, 2015

- We will gather general figures of magnitude and alarm, carrying out academic research relevant to decision making in our region

- We are designing a regional internship program that encourages mutual learning and collaboration.

Nicaragua

1st PIT **Homelessness Count**

Hermelinda, 24 años, México 2017

Shared language, knowledge, and solutions to end homelessness

1 General Homeless Population
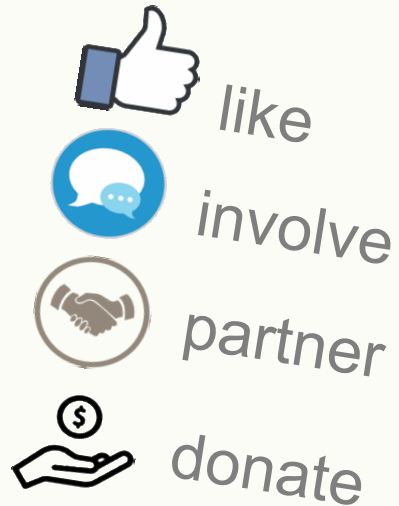

2 Separate findings by **gender**

3 For countries or communities whom have not done homelessness count we developed a **Homelessness Instrument** based on the Global Framework to be adapted to their socio-political context in order to facilitate knowledge exchange.

4 Proyectos FELICIDAD Org. book, "*Home is more than a Word*"
proyectosfelicidadorg@gmail.com

As different countries we surpass the denominational differences by applying the Global Framework to our existing data, practices, and policies in order to collaborate establishing **WHO, HOW MANY** and alternatives to **WHAT TO DO** to end homelessness**.**
